# Join the Fight

The Westmead Breast Cancer Institute is striving to reduce the impact of breast cancer by funding early detection programs, breast screen services, research, and education. They also provide clinical care and essential support services to people with Breast Cancer. By supporting the Pink Ribbon Motorcycle Ride you are helping the Westmead Breast Cancer Institute to continue the fight against breast cancer.

## This ride is for Everyone

Riders, pillions, male, female, young, old - on bikes and scooters - everyone can enjoy a day out and help raise money for the fight against breast cancer. This year our ride leaves The Mean Fiddler and cruises to our check points at Scheyville National Park and Hannapak Car Park, North Richmond. This suggested route is approximately 125 kms and can be completed in time to be back for a leisurely lunch in the wool shed and prize giving. Enter on the day for the best dressed bike and scooter and receive VIP parking.

## Get Sponsored!

For the last 10 years, motorcyclists have raised over \$250,000 to fund the fight against breast cancer. With your help and generous support we can continue the fight.

Just ask your friends and family to sponsor you to take part in this ride. Keep it simple, no distance related calculations, just a simple, affordable donation and your sponsors will get a tax deductible receipt from the Westmead Breast Cancer Institute.

On the day, bring pink ribbon sponsored rider forms, together with the money you have collected, to be in the draw for some great prizes.
